MONEY-MAKING AT MONACO.

Brodshow, or any other intelligent guide-book will probably tell you that Monaco is a principality exquisitely situated on a large rock projecting into the beautiful blue Mediterraneau; and will disease and death among the poor in a large rock projecting into the beautiful blue Mediterraneau; and will disease and death among the poor in a large rock projecting into the beautiful blue Mediterraneau; and will disease and death among the poor in a large rock projecting into the line and the projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the chousands of the poor carried off for the standard projection of the chousands of the poor carried off for the standard projection of the poor carried off for the standard projection of the chousands of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off for the standard projection of the poor carried off the poor carried of the poor carried of the poor carried ### APPEA |

A

MY SWEETHEAST. ST"MESPRIAN." I have the fairest sweetheart. That mortal man e or had; Her ey as are soft as twilight, Her heart is kind and glad; Her hair is bonnie chesnut, And flows below her waist; Size's graceful as a hanner solid And witching is her taste.

I have the fairest sweetheart;
Ah, wouldn't you like to know
she's queenly in her carriage,
And her soul is pure as snow.
She is a queen by nature,
Although she does not wear
The ornel's crown of jewels
That gleams on brow less fair.

old tenants mayout orremain at starv-ation rates. The English landlords meanwhile are enjoying their luxurious income during the London season and
